

OHEV SHALOM MEN'S CLUB

Gentlemen,

Summer is almost here and it's natural that we will be thinking about more time with the family, weekends and getaways. But, not your Men's Club Board! We spend our time thinking of great projects, events and speakers for you to come back to. And, we need you to help us.

We will be planning the upcoming events for the New Year. Steak & Scotch (or other beverages) in the Sukkah, the World Wide Wrap, the Keruv project, Eagles games, Torah on Tap, the Yellow Candle Project, and exceptional breakfasts.

We are also planning the "Hearing Men's Voices" Project. This will be small discussion groups for Men Only with varied topics and judgment free zones. It will be a terrific project that's being done all over the country, so count on participating.

Why not be an important part of Ohev Shalom. We help lead Minyan and we sponsor programs in the school. You will always find Men's Club members in most of the things that are done at Ohev. Our dues will remain at \$45 in order to enable all of you to join us and not be left behind. If it's a problem let me know.

We all have busy schedules. Soon our calendar will be sent out so that you can see what's available. Bring a new member and the first breakfast is on me (my treat for both of you).

Have a GREAT summer and see you in the fall,

COME JOIN US,

Marty Rudoff

President
