WOMEN'S ISRAEL TRIP (36 TRAVELERS)

The Land of Israel, located at the very center of the "ancient" world, has lit a spark in people's hearts for the last 8,000 years. It's a blend of a unique past and an extraordinary present with a variety of beautiful landscapes, which attract visitors and pilgrims from around the world. It is the heart of religion, culinary, archeology and technology innovation. But above all Israel is the land of immigrated people from all over the world that create a remarkable, dynamic and cultural mosaic place.
