

Building A Strong Jewish Community Together

Our Mission

Ohev Shalom is dedicated to serving the spiritual, educational, cultural, civic and social needs of its members in an egalitarian environment framed by Jewish tradition as interpreted by the United Synagogue of Conservative Judaism.

The Synagogue is further committed to providing these services in an atmosphere of joy and mutual caring within our congregational family. Our goal is to pass along pride in the Jewish heritage to our children and through them to the generations yet to come.

Legacy Giving Program

Planned Giving

Most of us, if given the opportunity, would like to leave a lasting Jewish legacy to show that our lives have made a difference. Through Planned Giving, you can leave a permanent reflection of your personal values and your love and concern for your family, friends and the Jewish community.

As you plan your legacy, we are honored that you would consider Ohev Shalom as a partner. Your support of Ohev Shalom with a "Planned Gift" can help you now, while providing support to the Synagogue with a source of funds for current and future generations of our members. A gift may be created to benefit specific programs or activities of Ohev Shalom, or for the general purposes of the Synagogue.

We ask that you think about this concept and strongly suggest that you also consult with your attorney, financial planner and/or insurance agent prior to making any Planned Gift.

Ohev Shalom encourages donations of gifts for unrestricted, general purposes, because of the flexibility they provide in meeting the most pressing needs of Ohev. However, there may be times when a donor requests that a gift be used by the Synagogue in a particular way, or for a particular program or purpose. Prior to receiving a gift, Ohev Shalom will take the utmost care and consideration to ensure that your gift requirements are feasible and are within the mission of the Synagogue.
